8101 Family Concepts and Traditions

You will discover a family "tradition" that has affected your family lineage for four generations back. You will discover how this energy imposed on you in your early years and is still affecting your balance and harmony within. See how the pattern affects your chakras, what time of day it hits you, whether it's inner or outer communication affected and whether it hinders you in personal, business or social. Find solutions to heal this energy and live from your first gift and your spiritual thrust.

Time 75 mins, Pre-requisites, 1001, 7000/7004, 1002A, 1003A

7013 Living Thrust Profile

Discover the spiritual thrust of one of your spiritual helpers! You'll learn more about their unique vibration and the special ways they help you unfold your life purpose in business/ personal and social.

Time 45 mins, Pre-requisites, 1001, 7000/7004

1005 Astro Gifts Profile

This consultation is a deep healing of the concepts, habits and syndromes that originated in your childhood from the way you were parented. See how this "maze" or programming is impacting you as an adult and find solutions and new patterns that support you to live from your true feelings and authentic self.

This profile can be deeply transformative to shift habits from the first 7 years. There are 8 different versions of this profile available, 2 from each of the four types of perception; Intuition, Vision, Prophecy and Feeling. Check with your guidance which of the 8 profiles will be the most effective choice for you at this time. *(more details will be emailed to you when you purchase this session)*

75 minutes - Pre-requisites 1001 1002A

7008 Personalized Spiritual Check-Up of Lifetime Concepts

This session offers a clear, compassionate look at how pressure, learned family patterns, and outside energetic influences are affecting your chakra system and overall balance. You'll gain insight into which areas of your life are under the most strain—personally, professionally, and socially—while identifying thoughts, emotions, or influences that may not truly be yours. The session also includes a practical technique to help clear your aura and restore stability, supporting a greater sense of clarity, alignment, and inner ease moving forward..

1 hour – Pre-requisites 1001, 1002A
